Londonderry, NH (PRWeb via HRMarketer) March 26, 2008 -- Today, HireAbility.com® , a leader in integrated parsing software and recruiting services, proudly announced its Spring training campaign to reach out to mass amounts of staffing professionals over the next two months. Executives say HireAbility's online Recruiter Training Center will make a significant impact in helping recruiters increase their staffing activity by providing attendees with recruiting techniques from well known, top-notch trainers in the industry.

"Our Recruiter Training Center (RTC) has an accredited course schedule that we've developed to help thousands of professionals in the recruiting arena get the training they need," said Craig Silverman, Executive Vice President of Sales and Marketing at HireAbility.com. "It's vital that search professionals of all types including recruiters, internet researchers, and staffing account managers seize the opportunity to learn as much as possible from the resources we provide. In order to earn more, you've got to learn more. It's that simple."

On March 26, Fran Goldstein, an expert in sales and sales leadership will present at HireAbility's RTC from 1:30 - 3 PM EST. The Recruiter Training Center is also hosting exclusive trainings by Greg Doershing, Terry Petra in April, and Dave Mendoza, and Jim Durbin in May.

To view training schedules, visit HireAbility's Recruiter Training Center Web site. Classes are also recorded and are available for on-Demand replays.

"We are so excited to be reaching so many staffing professionals in such a short amount of time," said Amy Renz, Executive Vice President of Technology and Operations for HireAbility.com. "We've seen so many professionals participate in our online training events and walk away with skills to reach levels of success they never thought possible. This is exactly why we created the RTC. It's very fulfilling."
