

After decades of globe trekking to the most exotic spice markets in the world, we landed in the heart of Oregon's Willamette Valley wine country and Hummingbird Spice Company took flight. And just as that bird zips from bud to bloom seeking the sweetest nectar, so we crisscross the continents, visiting, tasting, and learning the spice trade. From the cloves of Indonesia to the curries of India, from Tahitian vanilla to Jamaican cocoa, and from the Piri Piri of Mozambique to China's Szechuan pepper, we procure the finest quality small-batch spices, seasonings, and salts, gathering the essence of ethnic cuisines into themed collections to use in your own home or to give as exquisite gifts.
