

## THINK OF MNU AS MIDAMERICA'S STUDENT-FOCUSED UNIVERSITY.

That's what students say about us, according to a recent national survey of student engagement.

MNU knows how to give you the opportunities and community support needed to change the world around you. Explore 40-plus undergraduate majors, our graduate school options and be assured of getting the care and attention you want for your college-bound kid. Or for yourself.

Along the way to a top-notch education, you'll have opportunities to explore the gifts God has given you and grow deeper in your faith.
