"As the Owner of Imprimeria Arta Grafica SA, I had the opportunity to work with Mrs. Carmen David for more than one year (2009-2010), while she was the consultant for Sales and Marketing Strategy and Management within our company.

Besides being a joy to work with, Mrs. Carmen David is a strong character, very imaginative, who is able to permanently propose creative ideas and communicate the benefits. She has successfully developed marketing plans that have resulted in significant benefits for the overall activity and image of our company.

I would like to take the opportunity to recommend Mrs. Carmen David: she has consistently demonstrated her excellent ability to rise to any challenge that she might faced, being able to successfully complete multiple tasks with results, despite deadline pressure. I would just add that I have been very pleased by her diligence and work ethic. I feel confident that she will continue to succeed in her activity as she is a gifted, dedicated person who is able to successfully develop plans and implement them, at any level, being driven by strong leadership abilities.

It is for these reasons that I offer high recommendation for Mrs. Carmen David without reservation. Her drive and abilities will truly be an asset to any company collaborating with her."
