

# **Chicago Developmental Center for AIDS Research**

## **Administrative Office**

---

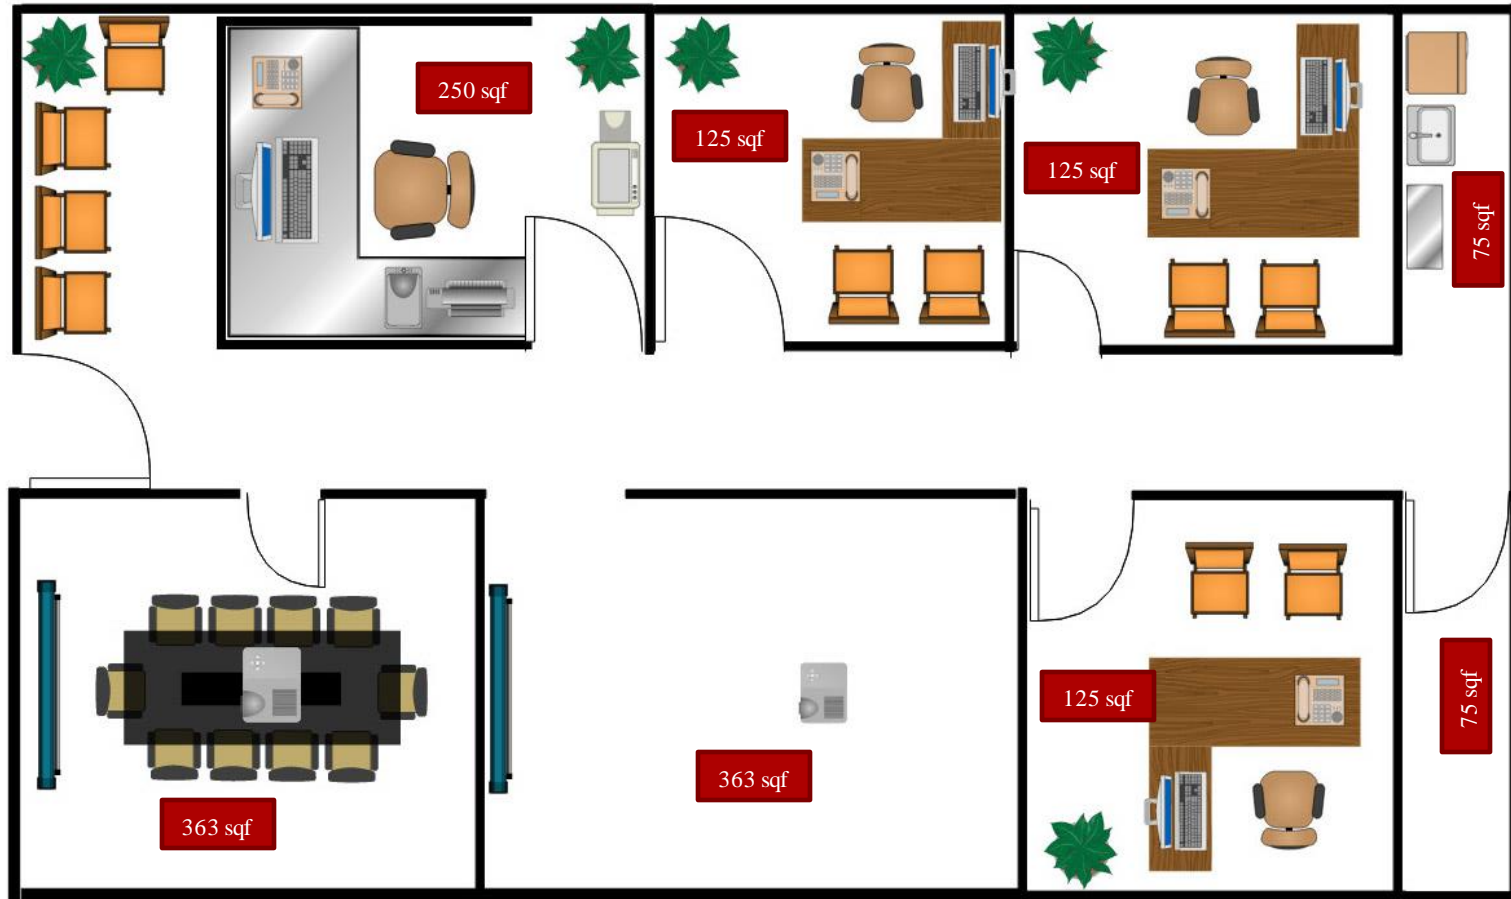

In response to feedback from the National Institutes of Health (NIH), the Chicago Developmental Center for AIDS Research (Chicago D-CFAR) will build a dedicated Administrative office in an existing 1500sq space on the campus of Rush University Medical Center.

This space will contain (3) offices and (1) multi-purpose meeting room; the space will become the central hub for the program and occupied by the members of the Rush Administrative Core team.

- Project Start Date: Jan. 6, 2015
  - Project End Date: Feb. 19, 2015
  - **Tenant Move-in Date: Feb. 22, 2015**
  - **Estimated Budget: \$350K**
-
