Cory Shaffer  
Head Store Manager  
Walgreens  
7488 West Thunderbird Road  
Peoria, AZ 85381

Dear Mr. Shaffer:

I have enjoyed my work experience at Walgreens. I really enjoyed meeting all kinds of new people even if it was for a short time. Working in a business like this taught me great money and management skills. I found how difficult it was to make a suggestive sales pitch but with your help, I was able to make that sales pitch look easy. In the photo lab, I enjoyed working with technology especially the kiosk machine. When a new customer who was foreign to technology came in, I showed them how useful and easy technology could be. They then appreciated me for helping them develop their memories onto a photo. I was glad I could provide my customers with a positive experience. Finally, our Walgreens team was an amazing staff to be a part of. I was a little nervous in the beginning but as I slowly got to learn more about my co-workers, I felt a strong professional work bond. They all helped me improve my skills in so many ways.

Again thank you for providing me with the experience. I cannot thank you enough for providing me with my first job. You were very welcoming and a wonderful guide.

Good luck with your future workers!

Sincerely,

Dillan Nguyen
