

Parent Brag Sheet

1. What do you consider to be the outstanding accomplishments of your child during the past three or four years? Why did you select these as the most important?

There were so many. Making the tennis, water polo, and swim teams. Getting her drivers license. Doing DYW and not missing any sessions. Maintaining a great GPA (17th in class). Getting 32 on the ACT. Playing paintball and loving it. Learning who she is. Working really hard at studies while keeping her silly sense of humor.

2. In what areas has your child shown the most development and growth during the past three to four years?

Confidence. Going after things she is interested in and not worrying what anyone thinks.

3. What do you consider to be his/her outstanding personality traits?

Her silly sense of humor. As an example, I randomly get Cage Rage and Rick Roll texts. She is also a loyal friend; if you treat her like a friend she will have your back. She has several friends she has had since elementary and middle school.

4. What are the best *five* adjectives that describe your son/daughter?

Smart, silly, loyal, dedicated, judgement (good)

5. Are there any unusual or personal circumstances that have affected your child's educational experience?

Ashtin has always been smart, usually ahead of most of her class mates. Upon coming to Valhalla, she chose her friends wisely and this has helped her to continue with her excellence.
