

Personal Profile

Complete the statements below to help me write your college letter of recommendation.

Name:

1. The three qualities you like best about yourself are responsible, attentive, and caring.

2. The accomplishments you are most proud of are-

I like being a fast learner especially when it comes to music. I have learned many instruments and I am most proud of learning the violin rather quickly in freshman year of high school.

3. The outside of school activity that has been most rewarding for you is- Volunteering because it taught me responsibility and to be punctual. Volunteering also taught me to take more care of the environment and not take things for granted.

4. What is your greatest area of weakness, and why?

I tend to procrastinate and this can sometimes affect the quality of my work.

5. Are there any “extenuating circumstances” that I should include in the recommendation? For example: difficult adjustment to high school; family structure change; illness or other personal issues, etc.

N/A

6. Right now, what are your top priorities?

To graduate high school with good grades and not put less effort because it is the last year of highschool.

7. What statement summarizes your personal philosophy of life?

To do what makes you happy so long as it does not hurt others or yourself.

8. What are your career goals or areas of interest?

I think I would like to pursue studying biology or maybe becoming a veterinarian, although I also gravitate towards more artistic careers so I am currently undecided on what to major in.

9. If you work, where are you employed and how many hours per week do you work? What do you like best and least about your job?

N/A

10. Use this remaining space to relate a specific event that affected you in some way (socially, physically, emotionally, or spiritually). The event you choose and the effect it had on you should give me some insight about you.

I was really devastated when my grandpa passed about three years ago as he was a major role model in my life. However, the unfortunate experience taught me to value my family more and to pursue music even more as he loved to play guitar.
