

CIRQUE DU SOLEIL®

To Whom It May Concern:

We at New Ventures, Cirque du Soleil would like to extend our highest recommendations to Seth and Emily Carpenter as performers. Working with them on the Bar du Bout du Monde project was both pleasurable and professional. Their dedication to training, attention to detail and artistic sensibility were vital in making the creation of this venture a reality.

Bringing such a wonderful sense of humor and so much experience in improvisation and acting, Seth and Emily were a welcome addition to the troupe. Even in difficult circumstances they stayed professional and always eager to work. They always had a character up their sleeve. So easy an fun to work with, we believe they would add light to any production.

As they have proven themselves a huge asset to the creative process and smooth operation thereafter during their contract, we would not hesitate to work with them in the future. In fact, we would jump at the chance! We wish them all the best in their future endeavors!
