<p>In the space below please provide constructive feedback regarding your peers. Your comments are very valuable to individual learning and development as well as the assessment process. Your anonymous comments will be shared with team members to encourage continued skill building in future teams.</p> <p>Peter is a very thorough and attentive team member. Peter does a great job in responding to immediate team needs. In this project, Peter did a magnificent job in researching and developing his section, producing a document that was concise and accurate. A great team member.</p> <p>Great on detail and asking critical questions at the right time. I would always have him on my team. he did a great job on the DC Dare presentation. I think he has many talents.</p> <p>Peter has good team spirit, he never forgets to thank team members for their work/efforts. Peter takes initiative to share e.g. relevant literature with the rest of the team.</p> <p>Strong in Financial analysis, contributed many new ideas and help the team to view Cemex business in different angles. A well understanding and considerate partner.</p>
