

Dear Future Employer

I am pleased to write a character reference for Jeremy Hull.

I have know Jeremy and his family for twenty years as I have worked with his mother for that long.

Jeremy is a goal-oriented person who strives to do his best in everything he does. He is very organized and orderly, setting a goal and striving toward it.

Jeremy enjoys cooking and trying new recipes. He likes to experiment with different ingredients that he has not used before to see how it makes the food taste.

He has worked with me when his mother was having trouble with her computer. As I was troubleshooting the computer, he was right there seeing what I was doing so he would know the next time. He wanted to know exactly what needed to do to fix the problem.

Jeremy will be a hardworking, diligent and industrious employee who will strive to do his very best in any endeavor.

Sincerely,

A handwritten signature in cursive script that reads "Vicki Flynn".
