Objective

Seeking a position that allows me to engage with others in regards to developing and implementing strategic objectives to new business ideas and endeavors

Experience

Silvermine Golf Course

Spring 2006-Current

I worked as outside help attaining to cart maintenance along with assisting the members of the course. I also became involved with the workings of the locker/ storage facilities in the clubhouse. Other responsibilities were setting up tournaments and doing minor golf club repairs for the members. I also have experience working in the pro-shop.

Thompson Automotive Company

Summer 2005

Working mainly with maintenance cleaning up various projects from renovations. The company was under new management I help re-file information both in the sales and parts department.

Education

Queens University of Charlotte

Fall 2008- Current

Bachelor of Arts, Business Major with a Minor in Communication. A part of the resident life staff at Queens, I was selected to be a Resident Assistant for the 2009-2010 school year. I have been a part of Men's Varsity lacrosse team for two years.

The Forman School

May 2008

Graduated with Honors, received the history in 2007. Was a part of Model United Nations both my senior & junior year. Lead Delegate my senior year representing my school at conferences at Yale, Princeton, Harvard, & George Washington University. Senior Year I was elected by my peers to be class Vice President. My senior year both faculty and my peers elected me as prefect. Became Captain of the Men's Varsity Lacrosse team.

Volunteer Work

The Rain Forest Project

Spring 2008

A non-profit program dedicated to rain forest education through scientific research. During this project I developed research skills and field data collection techniques to offer alternative economic opportunities for shifted cultivation in Central America. Also through presentations help create more awareness and education on global warming.

Relay For Life

2006,2007,2008

Relay For Life is the American Cancer Society's signature activity. In 2007 I was co-captain of a team and during the three years I raised money for Relay for Life I was successful in raising over three thousand dollars.
