This transcript reflects college level courses taken at transfer institutions and at PSU. These courses have not been evaluated for applicability towards a PSU degree, university studies placement, or total degree hours. Therefore, some credits on this report may not apply to these things (e.g. duplicate courses).

The Transfer Evaluation Report, received at the time of admission, and/or a [Degree Audit Report \(DARS\)](#) provides a more accurate assessment of credit applicability, university studies placement, and degree progress.

If you received an Incomplete grade in an undergraduate course for Fall 2006 or forward you may be affected by the new "I to F" grading policy. [Click here](#) to view the complete policy.
