“Take That Cancer!”

When Micah was just 6 years old, he was diagnosed with acute lymphoblastic leukemia. When the Make-A-Wish Foundation heard about this courageous little guy's story, they flew him and his family to Disney World for a week!

“Thanks to Make-A-Wish, my children were able to experience the ultimate in fun and meet the most generous, compassionate people in the world. What a great way to show cancer that Micah is the winner!” ~ Karen, Micah's Mom

Help the Make-A-Wish Foundation grant wishes to children, just like Micah, who are struggling with life-threatening medical conditions. Together we can enrich the human experience with hope, strength and joy!
