Dear Kids 'n Kamp Kids,

Welcome to the second issue of the "Kids Konnection" newsletter! Back to school and back to work! Its beginning to feel like summer will never come. While the days are cold and gray, the promise of a snow day makes all those mornings waiting for the school bus not seem so bad. Get outside and make a snowman, or go sledding down a giant hill. The snow will not last forever. So enjoy it while you can! Winter is also the best season for drinking a lot of hot chocolate. Yummy! We hope you are having a happy and healthy winter.
