

Wishes without Wands

The Make a Wish Foundation has provided almost 200,000 wishes to children around the world who are diagnosed with a life threatening illness. There is so much that goes into making every wish come true for a child. These wishes would not be possible without the support and assistance from people like you. In fairytales a fairy godmother with wands grant wishes but in our world its the person with the giving heart who grants **wishes without wands.**

The Make a Wish Foundation needs volunteers to make wishes come true. Volunteers like Kevin help to make wishes come true. So many children have wishes we want to fulfill. Anyone can help grant a childs wish. Visit www.wish.org/supporters/volunteers to learn more about how you can help make a childs wish come true by being a volunteer in our own community or by donating your time.
