To whom it may concern,

It is my pleasure to write this letter of recommendation on behalf of Mitchel Baugher. Mr. Baugher is a graduate of the Respiratory Care Program at Florida State College at Jacksonville. I have had the joy of supervising Mr. Baugher during clinical rotations and observed his commitment and dedication to both his education and his patient's well-being. Mr. Baugher was even recognized by the program faculty with an award for Outstanding Clinical Performance. Mr. Baugher is an intelligent, highly talented, and serious student. These qualities were always displayed in both his academic and clinical work.

It is with great pleasure that I recommend Mr. Baugher for a position within your institution.

Sincerely,

A handwritten signature in cursive script that reads "John Salazar".
