Fashion Consultant Company *Kathryn Melissa* Hosts “Girls Night Out” Cocktail Party to Promote Innovative Service at Cherry Creek Country Club

(May 8, 2008, Denver, CO) Up and coming fashion consultant company, Kathryn Melissa, will host an all women’s cocktail party, “Girls’ Night Out,” on August 8, 2008 at 7pm at the Cherry Creek Country Club in Denver. Guests are welcome, by invitation only, for hors d’oeuvres, open bar, fashion show and silent auction with all proceeds benefiting The Denver Metropolitan Affiliate of Susan G Komen for the Cure®.

Kathryn Melissa was founded in 2007, by Kathryn Mizke with inspiration from Kyle Blum and Alexis Savlov. KM specializes in outfitting the fashionably impaired, by offering a full service in-home personal shopping. Services range from basic wardrobe consulting to specific wardrobes for travel or special events. And because the gals at KM know that every client is unique, they we tweak their staff, clothing style, etc. to each individual, to ensure the utmost satisfaction.

The “Girls’ Night Out” cocktail party will be the launch of the company, in hopes of building clientele and getting the Kathryn Melissa name out in a way that represents the class and style that KM offers. Along with a beautiful ambiance, the cocktail party will feature a fashion show featuring clothing from our service, a silent auction on the clothing showcased, and a live performance by Denver band, Opie Gone Bad. All proceeds from the silent auction will go to The Denver Metropolitan Affiliate of Susan G Komen for the Cure®.

We would like to show gratitude to all attendees present at the party, so we will handout First Time Free Consultation cards to be redeemable at their own convenience. With this card, we offer a one-time-use, free consultation with one of our renowned fashion experts to begin the wardrobe revamping process. We are looking to build a more prominent clientele in order to expand the KM name and promote a happier lifestyle when it comes to dealing with one’s wardrobe. We currently are focused on open minded and positive female clients, looking to change not only their closets, but their lives.
