Our mission is to provide education and training to individuals with developmental disabilities in order for them to function well within their families and communities.

Who are we?

The Sunshine School is a non-profit organization, located in Searcy, AR. Founded in 1964, the Sunshine School began under the sponsorship of the Searcy Junior Auxiliary.

Our Mission

The Sunshine School's mission is to provide education and training to individuals with developmental disabilities in order for them to function well within their families and communities. The Sunshine School strives to see that each pre-school and school age student experiences as typical a school day as possible.

Who can attend?

Anyone who lives in White County and has a developmental disability can attend the Sunshine School.

What do we do?

The Sunshine School provides education and training to individuals with developmental disabilities. There is no age limit for students to be admitted to the pre-school, nor is there a cut-off age for adults. There is no cost to a family for a student to attend Sunshine School.
