

Greetings KD Alumnae

The Ladies of Kappa Delta Sorority - Gamma Iota would like to thank you for your continued support and dedication to our chapter!

The 2008 spring semester started off with a bang. Recruitment seemed to begin just as the stormy weather did, but we didn't let it get our spirits down. We had numerous COR events, including an Ultimate House Party where five rooms in the house were decorated and had activities according to different themes. Overall, we have had a fairly successful recruitment.

“Let us Strive for that which is Honorable, Beautiful and Highest.”

Early on in the semester we had an event with a local Girl Scout troop at the KD house, where we taught them conversation and marketing skills. We then allowed them to put their skills to work as other fraternity and sorority houses were invited over to purchase their cookies, and the girls ended up selling over one hundred boxes! The troop also earned their KD patches.

Our new member program has welcomed eight amazing new members: Cindy, Jenna, Julie, Darshana, Kieva, Morgan, Sara and Arielle. Sister Jenn has been doing a wonderful job teaching and guiding them about what it means to be a part of Kappa Delta Sorority, and they have all had a wonderful time with the overall experience!

During the month of March, several sisters attended the American Association of Orthopaedic Surgeons Awards in San Francisco, and it was definitely an experience to remember! It was amazing to hear all of the wonderful and positive things that were said about KD, and it was definitely a proud moment for us!

Sisters Cecelia, Cindy and Jenny all worked diligently to prepare for our 11th Annual Shamrock Showcase on April 3rd, along with the various designated committees. We all worked very closely with the thirteen houses that participated, and everyone was counting down the days until our much-anticipated event! We ended up raising

nearly \$7,000 for Prevent Child Abuse America and Child Quest International!

April ended up being one of the busiest months for Gamma Iota. Fifteen of our sisters went to San Francisco together to watch the Giants baseball game against the St. Louis Cardinals. We all enjoyed each other's company and made memories we will never forget!

Gamma Iota participated in several philanthropic events hosted by Greek houses, including Sigma Chi's Derby Days and Pi Kappa Alpha's Academic Decathlon, which we won 1st place in!

Toward the end of the month, KD participated in SJSU's 2nd Annual Day of Service. We were all taken to a local park and performed such activities as removing graffiti, picking up trash and pulling weeds. It took a lot of hard work but we all felt that in the end, the result was well worth it.

At the end of the semester, Gamma Iota inducted five graduating seniors into the Alumnae Association. We are sad to see our Sisters go, but are also excited for them to start their lives out in the real world!

We would like to wish you a safe and wonderful summer and thank you again for your continued support!
