## **SCORE REPORTING**

Policies pertaining to score reporting and use are periodically reviewed and revised by the GRE Board. The policies and procedures explained in the 2009-10 GRE Information and Registration Bulletin are effective only for the time period of July 1, 2009, to June 30, 2010, and supersede previous policies and procedures in previous Bulletins. GRE score reporting is cumulative. Test scores earned during the five-year period prior to the 2009-10 testing year (July 1, 2009, to June 30, 2010) will be included in your cumulative score report.

## **PERCENTILE RANK (% BELOW)**

The percentile ranks in this report indicate the percentage of examinees who scored below your score. Note that these percentile ranks may be different from those that applied when the scores were originally reported to you if the scores were earned prior to July 2009. This reflects annual updating of these data to permit admissions officers to compare scores, whenever earned, with those for a recent reference group.

## SUBJECT TEST

The following information is also reported for the most recent **Subject Test administration**:

**Correct:** the number of questions for which you indicated the keyed response

**Incorrect:** the number of questions for which your response was different from the keyed response

**Omits:** the number of questions to which you did not respond

**Formula Score:** the number of correct responses minus one-fourth the number of incorrect responses rounded to the nearest whole number.
