To Whom It May Concern

Dear Sir/Madam

It is with great pleasure that I recommend Aaron Fitchett with whom I have worked closely over the past 3 ½ years.

During my association with Aaron he has always displayed a high degree of integrity, responsibility and ambition. He is an intelligent and motivated individual whose skills are far-reaching. In addition to his exceptional technical knowledge and analytical ability he exhibits outstanding leadership qualities and his good judgement ensures a logical and practical approach in his role of Partner. His knowledge of all things computers has been a tremendous asset to the firm and will be greatly missed.

Aaron has earned the respect of both staff and clients as he is able to provide knowledge and support across a very broad spectrum - from specialist business, financial, superannuation and taxation advice to detailed and practical computing and accounting advice. He is approachable, decisive and a highly effective communicator.

Aaron has been a great role model to me personally and I have always valued his opinion both on professional level and a personal level. He has the ability to grasp the most complicated issues and explain in a way that can be easily understood.

In my view Aaron would be an asset to any organisation and I firmly believe that he would prove capable at anything that he turns his mind to. It is with pleasure that I give him my wholehearted endorsement and wish him every success for the future.

Yours Faithfully
