

## **Every business needs public relations.**

**I am capable and ready to fill that spot.**

**I will graduate with a Bachelor of Arts degree in public relations with a minor in marketing in May 2011. I have extensive work experience throughout high school and college. I am a hard worker, a fast learner and very determined to succeed. I have a big heart and I am extremely loyal. I am involved in Omega Phi Alpha, a national service sorority which promotes useful skills such as leadership, cooperation and service. I have chosen this career because it fits perfectly with my personality and the goals I have for my life. I am a genuinely happy person who enjoys going above and beyond to impress those around me. I am willing to relocate and travel to anywhere my skills are needed. I was born with the personality traits needed to organize, plan and write professionally which makes me an ideal public relations practitioner.**
