***The Leukemia &  
Lymphoma Society***<sup>®</sup>  
*Fighting Blood Cancers*

The Leukemia Lymphoma Society is providing an educational seminar about Myeloma diagnosis, treatment and side effects for patients and health care professionals on Thursday, October 21. Dr. Stephen Kornfeld will be speaking at St. Charles Medical Center in Bend in Conference Room B.

The event will provide complimentary dinner and parking for its attendants and will provide free continuing education units for resident nurses and social workers.

The registration starts at 6:00pm, dinner will be provided at 6:15pm and the program will begin at 6:30pm.

Pre-registration is required so please contact Susan Alger at 541-3450210 or email at [susan.alger@lls.org](mailto:susan.alger@lls.org).
