Thank YOU.

Thank you so much for your continued support as we prepare for our third annual Big Event. We could not be the Lancers we are without the help from our community.

Look out for us in newspaper articles, Town meetings, on the radio, and more in order to find out how you can be involved! Whether it is through donations, or requesting a job at your home or organization, we'd love to hear from you.

Sincerely,

Molly Spraker

One Big Day. One Big Thanks.

The Big Event at Longwood is the largest campus wide community service project of Longwood's history. Last year, over 500 students completed over 50 service jobs in the town of Farmville and surrounding communities-a huge increase from 2009 with 12 jobs and 250 students!

Service jobs include yard work, cleaning siding, painting, light construction, and more.

We need your help in order for this event to grow. As a subsidiary of Longwood University, we are a non-profit organization. Therefore, funding is limited.

Please help us to give back to this tremendous community!
