- Working top-down and bottom up
- Actively and effectively engaging with civil society upstream
- Working with and through the media to prevent conflict and rebuild societies

Sandra Melone
Executive Vice President
Search for Common Ground

14:30 Closing Remarks from the Chair and End of **6th Annual Reconstruction Stabilization and Security Conference**

WHY YOU SHOULD ATTEND

With additional funds allocated by President Obama for security, stability and humanitarian efforts in FY2011, and continuing conflicts; many stakeholders are trying to figure out how to best use the resources to deter future conflicts, solve current problems and smoothly propel countries currently transitioning

This **marcus evans 6th Annual Reconstruction, Stabilization and Security Program** will allow open discussion between governments, industry and NGOs to brainstorm solutions to the current conflicts and hopefully prevent future conflicts.

SPONSORSHIP INFO

Does your company have solutions or technologies that the conference delegates would benefit from knowing? If so, you can find out more about the exhibiting, networking and branding opportunities available by contacting: **Nick Comerford**, 312 894 6330, nickc@marcusevanssch.com.

LET US BRING THE TRAINING TO YOU!

marcus evans In-House Training – Tailored solutions to meet your company's specific needs
Exceptional Trainers: Annual global course portfolio over 3000 events a year guarantees access to the world's best trainers.

Custom designed: Your team provides input into content and delivery through survey and consultation with trainers to match your unique training needs.

Confidentiality: Your team may talk openly about their experiences and organizational needs in a secure and confidential environment.

Cost-effective: Maximize your budget by cutting out travel and lodging expenses while also maximizing employee productivity and saving time.

Any Training, Anytime, Anywhere
