Every eight seconds in the United States a sheltered dog is put to death because of over population.

Six to eight million dogs enter shelters every year and are subject to abuse and a life of living in a cage.

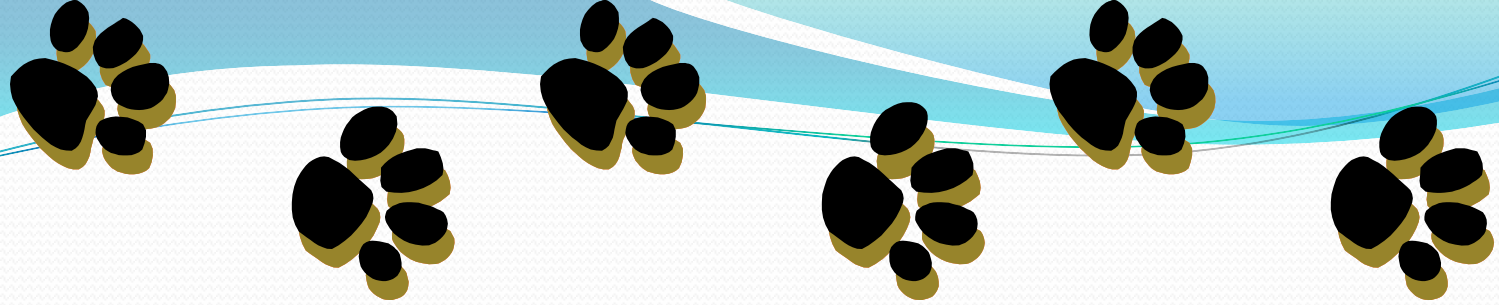

Animals that have died as a result  
of over pet population could have  
made wonderful, loving pets.

Lucky Dog Animal Rescue is a new type of animal rescue!! They believe in:

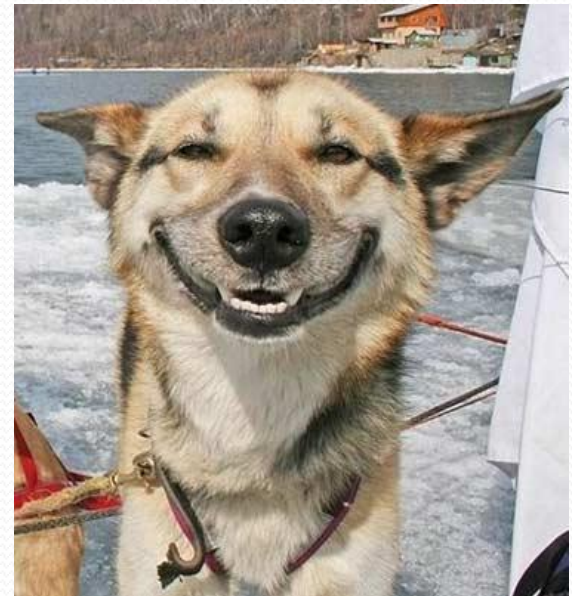

- NO dog should have to live in a cage.
- Every dog should be spayed and neutered so there is no problem with over pet population.
- Every dog that enters Lucky Dog is put in a loving, comfortable foster home until Lucky Dog finds them a permanent homes.
- EVERY DOG DESERVES A SECOND CHANCE!!!**

DOGS HAVE JUST AS MANY RIGHTS  
AS HUMANS DO....SO WHY DO  
HUMANS ABUSE THEM???

LUCKY DOG works with committed volunteers, foster homes, local veterinarians, trainers, and boarding facilities, they are able to rescue hundreds of animals every year, provide them with loving temporary care, and find them well-matched, carefully screened permanent homes!!

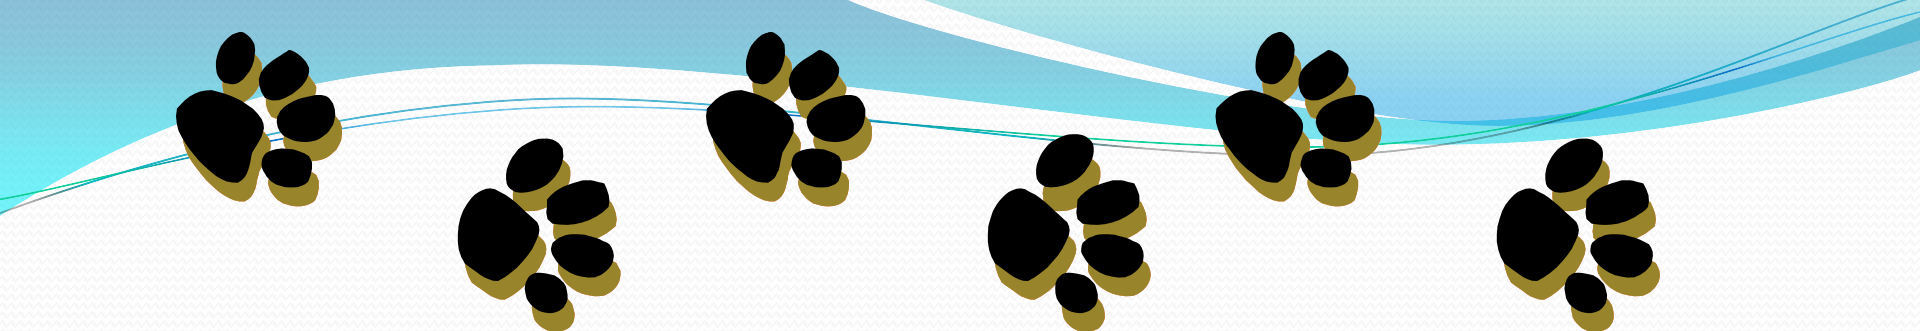

# There are a number of ways to help LUCKY DOG ANIMAL RESCUE!

- Foster
- Volunteer by driving the dogs to the adoption events.
- Help out at the adoption events.
- Administration work
- Event planning
- Fundraising
- ADOPT

**LET THEM HELP YOU!!!**

Lucky Dog is taking the right approach to stop over population of animals by spaying and neutering every dog that comes into their care!!!

\*\*They also provide discounted services to pet owners for spaying and neutering services.
