April L. Walberry

awalberry@gmail.com

Objective

To obtain a position utilizing my psychology as well as law and society background in the Midwest

Summary of Skills

- Completed a prestigious research experience on ostracism in which scheduling, promptness, and maintaining records was essential
- Gained communication and organization skills through professional experiences
- Experience with problem solving among a diverse age group

Education

Purdue University, West Lafayette, IN
Bachelor of Arts   May 2011
Psychology, Law and Society   GPA: 3.1/4.0

Professional Experience

Student Office Staff, Hillenbrand Hall
West Lafayette, IN   May 2010-present

- Used customer service skills to help problem solve with students and direct them to higher administrators throughout the school year
- Communicated with and assisted potential residents by informing them about the dormitory
- Learned organizational skills by sorting various items and filing student records
- Experience with high stress situations when interacting with frustrated students and parents

Research Assistant, Psychology Department
West Lafayette, IN   October 2010-December 2010

- Independently scheduled experiments and promptly met subjects
- Organized and maintained records of participant involvement through the SONA system
- Effectively communicated with research participants about the experiment so they completely understood the procedure
- Provided debriefing to detect any emotional problems subjects may have from the experiment

Volunteer, Miller Child Learning Center
West Lafayette, IN   Spring 2009

- Quickly problem solved with young children when situations arose
- Protected children from situations that could be harmful on the playground
- Gained patience by working with a large number of young children
- Promptly detected when there were problems between children and dissipated any arguments
