

About Prevent Child Abuse

In 1981, Kappa Delta adopted Prevent Child Abuse America as a national philanthropy. Prevent Child Abuse is committed to preventing the abuse and neglect of our nation's children, and includes all forms of neglect, whether physical, sexual, emotional, or educational.

Each Kappa Delta chapter holds a Shamrock event- a local fundraiser- to support the prevention of child abuse.

Since 1983, Kappa Delta chapters have raised nearly \$10 million dollars for prevent child abuse.

Facts about Prevent Child Abuse

In 2005, 12.1 of every 1000 American children suffered abuse by adults.

Every day, about 4 children die in the U.S. because of abuse or neglect.

Neglect is the most common form.

For every abuse reported, 2 other cases are unreported.

1/3 of all girls and 1/5 of boys are sexually abused.

About 10% of babies are born to drug-using mothers.

The proceeds generated from War of the Wings, 80% of them are donated to prevent Child Abuse Bulloch County. The other 20% is donated to the National Prevent Child Abuse.

Our annual War of the Wings

Each year, local businesses around the Statesboro area, donate and support prevent child abuse by competing in the wing competition during War of the Wings. The restaurants are given a certain color toothpick that is placed in their wings donated and the purchasers of tickets then choose which wing was their favorite!

Last year Kappa Delta raised \$10,000 dollars and we want to keep that number growing!

Along side the wing competition we have a dunking booth, T-shirt sales, a DJ booth and Bruster's ice cream!

War of the Wings is one of the most popular philanthropy events within the Statesboro area and without the help and donations of the local businesses in our area, our event would not be successful.

How to Donate!

If you are interested in donating and supporting War of the Wings please contact your Kappa Delta member on the front of your packet given to your establishment. Any donation is accepted from chicken wings to paper plates and napkins.

The generosity this community provides is amazing in so many different ways. We can not thank you enough for helping us raise not only the donations from the event but the awareness of child abuse.

If you have any questions feel free to call or email anytime!

If there is rain the day of the event, it will be moved to Rum Runners Kitchen.
