

EMPOWER ONE: THE STEPS TO SUCCESS START HERE

Oxford residents are invited to join a powerful employment and education program that helps participants map out and achieve the “Steps to Success” that work for them. It’s called **Empower One** and it helps people get and keep a job. While working with a support specialist, participants are connected to a network of services and resources that will help them succeed in achieving their dreams and a positive financial lifestyle.

Participants can:

- * Gain opportunities for better employment through **job search** assistance, **resume** preparation and interview-quality **clothing**
- * Complete necessary **educational** and/or **vocational** courses
- * Create a **budget** for their lives
- * Receive short-term **transportation** to employment
- * Develop a path to achieve and maintain personal **independence**
