**Hurt Park Elementary School
2010-2011**

The Fresh Fruit and Vegetable Program (FFVP) provides all children in participating schools with a variety of free fresh fruits and vegetables throughout the school day during non-meal periods. It is an effective and creative way of introducing fresh fruits and vegetables as healthy snack options.

The FFVP also encourages community partnerships to support the schools when they offer free fruits and vegetables to children during the school year.

Hurt Park will be one of 89 schools in 36 school districts across Virginia participating

Students at Hurt Park will receive FREE fruits and vegetable snacks and fun nutrition activities 3x per week in the classroom!

Can you name these fruits?

The purpose of the Fresh Fruit and Vegetable Program is to:

- Expand the variety of fruits and vegetables students experience
- Enhance nutrition education
- Increase fruit and vegetable consumption
- Make a difference in students' diets to impact their present and future health
- Increase healthy school environments
