Re: Ms. Erica Sanders

This letter is to serve as a personal endorsement of Ms. Erica Sanders whom I have had the good fortune of working with as a mentor teacher during her tenure as a Teacher Candidate in my Grade 2 classroom at Bolton C. Falby P.S.

Principal  
S. Towers

Erica demonstrated tremendous passion, enthusiasm and energy when teaching her daily lessons. She is a dynamic leader, one who often volunteered to do things above and beyond what was expected of her. Additionally, Erica is a person who takes great pride in her preparation and organizational skills.

Vice Principal  
S. Craig

Through my observations of Erica within the school community, it was evident that she was well received by the faculty and students alike. She repeatedly demonstrated excellent classroom management skills and discipline. In short, Erica exhibited teaching characteristics well beyond her actual teaching experience.

Administrative Assistants  
D. Apple  
D. Delaney

In closing, I consider Ms. Sanders to be a prime candidate worthy of serious consideration for a teaching appointment. Her integrity and personal commitment to excelling in her work will undoubtedly make Erica a fine addition to the teaching profession.
