Re: Erica Sanders
Personal Reference

To Whom It May Concern

I have known Erica Sanders on a personal level for 4 years.

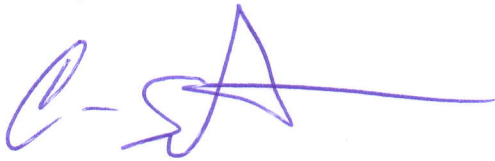

Erica has always struck me as a determined and energetic young person who shows maturity beyond her years in many areas. She has many wonderful qualities and I can honestly say that she would be an excellent role model for my children.

What impresses me most about Erica is her devotion to teach in any situation, if she can teach she will and she will do it cheerfully and without hesitation. Erica has a glowing personality that puts people & children at ease with her.

Erica is focused on her career objectives and she has spent a great deal of time preparing to move forward in the teaching field. I am absolutely certain that she will be a success in this field. Erica is a friendly and sociable person who is always ready to greet the day with a smile.
