To Whom It May Concern:

**Re: Erica Sanders**

For a number of years, Erica has been volunteering with the Special Olympics Thunder Bay Killer Whales Swim Club as a volunteer swim coach. This Club is a local organization providing swimming training and competition for athletes with an intellectual disability.

During her time with the Club, Erica has proven to be an incredible asset to the program. Erica is a very hard-working individual who is always willing to go above and beyond what is required of our volunteer coaches. She brings an enthusiastic attitude to our program and is well liked by both athletes and fellow coaches.

Erica's dedication to the athletes and to the swim program as a whole, as well as her outgoing personality, have made her a favourite among the athletes. Erica is always willing to take on whatever task is presented to her and has had no difficulties in dealing with whatever situations develop during the course of the swimming training.

It has been a great pleasure to have Erica working with our program. If you have any questions or require any additional information, please do not hesitate to contact me at the number below.

Sincerely,

A handwritten signature in blue ink, appearing to read "Brad Halabisky".
