COMMENTS: (strengths, areas for growth, next steps):

Erica has had a successful placement at Lester B. Pearson. She has consistently demonstrated a solid understanding of the Grade Four Curriculum, and always presented the content with confidence. From very early on in her placement, Erica developed an excellent rapport with staff and students alike. She showed a genuine interest in learning about all components of school life. Erica regularly reflected upon her lessons and successfully identified her strengths and areas for growth. In her next placement, Erica is encouraged to focus on management of student focus during lessons and further her practice in assessment of student progress. It has been my pleasure to host Erica in my classroom and I wish her all the best in her future endeavours.
