COMMENTS: (strengths, areas for growth, next steps):

Erica has proven to be a valuable addition to our Grade Two classroom over the last five weeks. Some of her most obvious strengths are her passion for teaching, motivation, initiative and openness to constructive feedback. These strengths have allowed her to further develop her teaching practices and classroom management skills over the course of her placement. She will continue to examine ways to meet the diverse needs of students (i.e. IEP and at risk students and those who have mastered the concepts and require extended activities) within her lessons. Erica will definitely be a valuable addition to any school she chooses to work in. Thank you for all of your hard work Erica!
