Constable Richard Borthwick  
Recruiting Officer  
Lethbridge Regional Police Service  
135 – 1 Avenue South Lethbridge, AB, T1J 0A1

Dear Mr. Borthwick,

RE: Police Constable Position

The reason I am writing to you, is for application to the Constable position the Lethbridge Regional Police Service has posted on it's website. Along with this letter, please accept my application form and resume. My goal in life is to make my community a better and safer place while helping others and bettering myself. I know employment with the Lethbridge Regional Police Service will help me attain this life goal.

Through my life experience I have attained competencies that match your agency perfectly. I have honesty, integrity, tenacity, and a deep respect for others. I have learned the only way to live life is through honesty, because if you cannot be honest with yourself, how can you be honest with others? I have maintained a high level of integrity throughout my life through commitment and respect of others, which lessons I obtained from my father and as being a husband. My tenacity comes from my will to never give up, but to find another explanation, which has had me develop critical thinking and problem solving.

The classes I took while attending Lethbridge College to obtain my diploma in Criminal Justice- Policing have giving me the confidence to say, with further training from the Lethbridge Regional Police Service, will allow me to become a valuable asset to your organization.

To allow me to further demonstrate my competencies to you, and the Lethbridge Regional Police Service, you can contact me by either email, or phone.

Yours truly,

Mark Remington

Encl.
