Objective

In order to achieve a career in veterinary medicine, I am looking for experience at hospitals to further expand my knowledge and skills in the veterinary field and acquaint myself with the profession.

Education

- Michigan State University, East Lansing, MI — Animal Science/Pre-Veterinary Medicine, Junior
3.69/4.0 GPA
- Forest Hills Central High School, Grand Rapids, MI — Graduated in 2009, received Diploma

Experience

- **Pet Care Technician at Family Friends Veterinary Clinic, Grand Rapids, MI — May 2011-present**
 - Feeding each animal twice daily, walking four times daily, and administering medications as directed by a veterinarian
 - Bathing and trimming nails
 - Cleaning kennels, washing dishes, doing laundry and cleaning the facility
- **Intern at Ada Hospital for Animals, Ada, MI — May 2011-present**
 - Observing surgery and appointments
 - Monitoring and recording vital signs during surgery and attending to patients as they recover from anesthesia
 - Aiding the doctor in restraining patients
 - Cleaning rooms between each appointment
 - Aiding in blood chemistry analysis and fecal sample preparation
- **Intern at Family Friends Veterinary Hospital, Grand Rapids, MI — May 2011-present**
 - Observing and assisting with surgery and appointments
 - Preparing the patient for surgery
 - Assisting in cesarian sections and whelping puppies
 - Drawing blood and aiding the doctors and technicians in drawing blood and inserting catheters
 - Restraining patients for x-rays, ultrasounds, artificial insemination and collection
- **Sales Associate at the Fossil Store, Grand Rapids, MI — May 2011-present**
 - Helping customers to find the product they are looking for
 - Providing each customer with a radical customer experience
 - Organizing and cleaning the store each night after close
- **Pet Sitter, Cascade, MI — June 2010-present**
 - House sitting and caring for clients' small animals
 - Feeding pets, giving vitamin supplements and medications
 - Spending time with the pets and checking on them frequently
- **Janitor at Ada Hospital for Animals, Ada, MI — May 2011 - August 2011**
 - Cleaning all areas of the facility each night including surgery rooms
 - Doing dishes and laundry daily
 - Ensuring that the facility is sanitary to hospital standards

Honors and activities

- Member of National Society of Collegiate Scholars — 2010 - present
