“Opera has been working with GetJar for several years and we are most impressed by their success. GetJar is one of Opera's most important distribution partners with approximately 17 million downloads of Opera Mini.”

Rolf Assev, Chief Strategy Officer, OPERA

“We need to ensure widespread, cost effective distribution of our work and in this respect GetJar has proven to be one of the few players in the market with the scale, ease of discovery and business sense to help brands reach consumers”

Scott Seaborn, Head of mobile technologies, Ogilvy Group UK

“GetJar will continue to grow in importance as the mobile industry evolves, as they enable consumers everywhere to easily access relevant and engaging applications for their mobile phone.”

Steve Boom, CEO of mig33
