Dear Constable PJ DEMURIAK

RE: Police constable position

Please accept this letter and enclosed resume as application for the police constable position as advertised on the RCMP website. After graduating from the Criminal Justice Policing Program, at the Lethbridge College, I will have the knowledge and skills to help accomplish the RCMP value and mission statement.

Through my studies in the Criminal Justices Policing Program, my knowledge of the criminal justices system has increased as well as my honesty, respect, reliability, teamwork, and computer skills. In my past work and volunteer experience, my skills are being continuously refined and geared towards a career in law enforcement. Integrity, honesty, professionalism, compassion, respect, and accountability are not only the core value of the RCMP, but are the values I believe in and continuously improve in myself.

My instructors at the Lethbridge College and my past employers, well testify to my friendly personality, dedication, and reliability. During my employment at the Adolescent Treatment Center, I demonstrated my communication and leadership skills with the clients and the staff members. I build rapport with the clients to affectively counsel them on their addictions, well spending the time and effort to ensure the job is done professionally and correctly.

By becoming a regular member of the RCMP, my skills and attributes will be a valuable asset to the RCMP and the current members. I would appreciate if you can allow me to demonstrate further how I can be a valuable asset to the RCMP by meeting with you for an interview. You can contact me at my home phone (403) 942-1985 or by e-mail willweaselfat@hotmail.com.

Yours truly

William Weasel Fat
