Dear Constable Joel Hedlin

RE: Police constable position

Please accept this letter and enclosed resume as an application for the police constable position, which is advertised on the Saskatoon Police Service website. My goal is to obtain employment with the SPS, to serve and protect the citizens of the Saskatoon communities.

My dedication and hard working skills have allowed me to exceed in the Criminal Justice Program at Lethbridge College, and increase my knowledge of law enforcement. Teamwork, responsibility, commitment and professionalism are skills I have obtained from pervious jobs; I continually use and improve these skills, because I know these are qualities of the SPS. Honesty, integrity, and respect are not only core values of the SPS, but they are also principles I believe in, and I am constantly improving on.

My cheerful, and respectful attitude makes it enjoyable for others to work with; my past employers and instructors from the Lethbridge college will testify to my compassion and dedication to my work. My managers from both Great Canadian Whole Sale, and Joe Fresh Clothing were sad to see me leave because of the large impact I had on the atmosphere and functuality of the companies.

Joining the SPS will not only benefit me, but also the agency; my skills and vales will contribute to your team greatly. I ensure you my determination, not only to accomplish my goals, but also to be the best recruit, will not let you down. To demonstrate further how I can be an asset to your organization I would love to set up and interview; I can be reached on my cell phone at (306) 292-6101.

Yours truly

Rebecca Harrison
