

<p>Self-reliance</p>	<p>We ourselves ARE AWESOME!! not family orientated driving everywhere being punctual fast food USA Less stress about/ uncaring about education (oh the irony) Education Family values Selfish NEWBS UNWELCOME-you racist. ← :) We believe we are superior we depend greatly on ourselves dont put high importance in schooling and education bettering ourselves and not helping others succeed. focused on our own well being and not other people. usa secludes ourselves from the rest of the worlds problems. use cars to get everywhere</p>
<p>Control</p>	<p>high value on freedom havin is under our control. Unlike China where the government chooses. Security (National/Local) Greeting others Enjoy controlling our future Critical of others convenience We control what we eat Following the rules USA limited news convenience driving everywhere being punctual Less tress about/ uncaring about our educationn private bathrooms being anal dabout cleanliness. Pets Fast food is gross. Focused on ourselves Depend greatly on other people to provide lines are out in sports.</p>

Equality	<p>high value on freedom care/help each other being rude to old people and teachers what are old people? Have pets- We treat them as equals. take them shopping. Animal rights etc. police enforce the law Pets USA</p>
Capitalism	<p>Selfish, better life, materialistic Debt extremists. fast food USA Valuing the individual :) The American Dream</p>
Law & Order	<p>sports (football), generational values, police enforcement following the rules limited news police enforce the laws most don't take religion seriously lawsuits galore USA</p>
Speaking up	<p>Proud, patriotic, try to care/help others following the rules limited news : no info on world cup, world news.. mainly just local news Pets Greeting Tv/Media Sacred? of terrorism Proud USA Conspiracys Gossip Animal rights-dogs are people too public broadcast freedom blogging twitter/facebook friend request social networking exaggeration/extremists</p>

Speed

Fast food, being on time, relaxed
We dont walk anywhere
Time matters and we cant be late!
police enforce the laws
driving everywhere
fast food
black people run fast (typical)
depend greatly on other people to provide for
us.
USA ha
we care about what other people think about
us. (ha! not really)
Being punctual
speeding
highways everywhere
modernization
