<p>worked with.</p>	
<p>After the turn of the century, the community of Lee's Summit, as well as the United States as a whole, began to ask themselves, "How can we prepare our children for a global future?" In response to these concerns, a committee was formed in 2005 to explore ways in which the school district could address the changing needs of our student population.</p> <p>The answer was the Summit International Studies Academy (SISA), a capstone course at Summit Technology Academy that would give students the necessary skills to navigate a multicultural, global future.</p> <p>In 2006, it was decided that SISA would further break from traditional education by running the course as a year-long corporate simulation. Students would act as intercultural consultants by being trained to educate businesses on working in an intercultural, global environment.</p> <p>The first students enrolled in SISA for the 2008-2009 school year. Since that first year, SISA students have studied over 50 languages and worked with representatives from over 28 countries throughout the world. SISA was highlighted nationally in 2009 when the Lee's Summit R-7 School District was named as a first-place winner in the American School Board Journal's 15th annual Magna Awards program due to the district's focus on global education and 21st Century skills. In 2012, SISA presented to the general assembly of the International Education Summit sponsored by the Missouri Department of Education.</p> <p>And there is more to come. SISA pursues international and local partnerships continuously. If you would like to be part of this exciting program, please contact us.</p>	<p>后世纪之交,社区酒糟峰会,以及美国开始问他们,“我们如何能准备我们的孩子为全球未来?” 回应至这关心,委员会成立在2005年至探索方法学区可以地址需要在学生人口。</p> <p>答案是首脑会议国际研究学院(SISA),不容易类在首脑会议技术学院.类给学生必要技能导航多文化,全球未来。</p> <p>在的2006年,决定作出了让SISA脱离传统教育通过运行课程如一年之久企业模拟。学生做如跨文化顾问由是培训教育企业工作的在跨文化,全球环境。</p> <p>首批学生登记在SISA为2008-2009学年。从那时起,SISA学生有研究以上五十语言和工作同代表来自二十八国家整个世界。SISA 是突出国家在2009年何时酒糟首脑会议R-7学区是命名如首位优胜者在美国的学校板杂志的15全年麦格纳奖计划由于区集中在全球教育和21世纪技能。在2012年提交至一般集会的国际教育首脑会议赞助通过密苏部门教育。有更多的来,SISA追求国际和当地合作伙伴不断。如果您想成为其中的一部分本令人兴奋的计划,请联系我们。</p>
