FOR IMMEDIATE RELEASE

Winston-Salem Jaycees Host 13th Annual Band Aid for Burn Survivors Concert

The Winston-Salem Jaycees will continue its dedication to community service on Thursday, September 13th by hosting the 13th Annual Band Aid for Burn Survivors concert. In previous years, the Winston-Salem Jaycees have hosted the event as the Band Aid for Burn Victims. All proceeds from the concert are donated to the NC Jaycee Burn Center in Chapel Hill.

This year's concert will be held at The Garage at 110 West 7th Street, Winston-Salem, NC 27101. Local bands – Jerry Chapman and the Acoustic Herbivores, The HoldUp and Sean Mettler - will donate their talents to this event. Local businesses will donate monetary support and in-kind gifts for door and raffle prizes. JJ Johnson, a local comedian and member of the Comedy Potluck Improv Troupe of Winston-Salem will act as the emcee for the event.

Doors open at 7 p.m., and the bands will begin playing at 8 p.m. Tickets are \$10 and are discounted to \$7 for college students (with proper ID). All attendees will receive a FREE raffle ticket (with paid admission). Additional raffle tickets will be available for purchase.

“Band Aid is sure to be a rockin’ good time,” assures Katherine Taylor, Winston-Salem Jaycees President. “I hope you’ll join me in backing this annual event which supports burn survivors throughout North Carolina. Together, we can make this fundraiser a smashing success!”

The Jaycee Burn Center is dedicated to providing specialized medical care and rehabilitative services to patients who are recovering from burn injuries. The center is also a leader in education and burn prevention efforts, laboratory research and patient and family support.

The Winston-Salem Jaycees is a leadership organization targeting young professionals ages 21 – 40. The Jaycees gives members a chance to network with other local professionals in their community, through a series of socials and other events. Members achieve personal growth by developing networking, community and social skills through this organization.
