## CRANE RENTAL

**Heavy Duty**

**Hydraulic Platform Trailers**

W. O. Grubb is the leading provider of crane rental, steel erection, rigging and heavy hauling services in the Mid-Atlantic United States. W. O. Grubb was founded in the 1960's with a basic concept, which was to provide high quality steel erection services, equipment, manpower and superior responsiveness to our customers.

W. O. Grubb has set itself apart from its competitors through the addition of Goldhofer THP/SL modular hydraulic platform trailers to our already extensive fleet of trailers.

Grubb is among the first in the nation to have the new, state-of-the-art trailer models boasting an impressive 45-tons of capacity per axle line of trailers. Grubb's fleet of Goldhofer trailers can handle loads of more than 1,300 tons and offers flexible configurations that can be customized to suit any specialized job.

## W. O. GRUBB'S FLEET OF NEW "STATE OF THE ART" HEAVY DUTY HYDRAULIC PLATFORM TRAILERS:

Among the first in the  
U.S. to own these new  
45 ton capacity lines.

- Payload capacity of 45 tons per line - total fleet capacity of more than 1,300 tons of payload!
- Modular trailer units can be combined and configured to fit any job.
- Hydraulic suspensions that can be interconnected to ensure equal axle loading.
- Total vertical suspension travel of nearly 24 inches.
- Hydro-mechanical steering system for all axles with 120-degree total steering angle for improved maneuverability.
- High-strength deck and frame structure capable of resisting heavy point loads.
- Capable of operation on roads and on construction sites.
- Self-propelled, 6 line unit with remote control capability can be added to a trailer configuration in place of a prime mover.
- Modular deck extensions that provide increased wheel spacing (significant when crossing bridges or subgrade structures).
