Perfect Solutions® provides integrated property valuation and advisory services to a broad range of corporate and privately-owned entities and clients.

Our lease advisory service provides landlords and occupiers alike with in-depth and comprehensive advice on all aspects of residential and commercial leases.

We help clients by spotting opportunities, identifying problems and applying innovative leasing solutions which bring the property to its highest potential.

For landlords this means maximizing income from lease events and taking advantage of opportunities to enhance asset values. For tenants we seek to minimize outgoings and align lease commitments with corporate strategies.

We advise on the most commercially effective approach to match each individual client's strategic needs and then deal with all negotiations to achieve the best outcome.

Our Lease Advisory service helps clients avoid any potential pitfalls and also exploits discrepancies which may have arisen during the purchase cycle. This can particularly have a significant impact on the value of an investment and on the optimal use of the premises.

Key Services include;

- > Lease renewal
- > Lease restructuring
- > Rent review
- > Dilapidations
- > Dispute resolution

Having the right tool is the most important part of a job. And having the right people behind the tools helps to get a quality job done on time and within budget.

Perfect Solutions® is a full service construction group, equipped with the right tools and the right people to handle projects of all sizes. We provide the highest quality construction at competitive prices.

We have been providing exceptional quality and value to the community for over 20 years. Our goal is to give you the best long-term value for your department's funds.

Perfect Solutions® offers free estimates. Turnaround for estimates is dependent on the type of estimate you would like performed. Budget estimates can be turned around in as little as 5 days. We can also provide both “Time and Material” and “Fixed Priced” estimates, and you decide whether you want the work performed on a “time and material” or a “fixed price” basis.

We are committed to meeting the needs of our customers by partnering with you, whether your facility requires a full renovation or just a small facelift. Our projects are staffed and managed by full-time journeyman crafts people who have dedicated their professional careers to servicing the needs of the University community.

Our professional team specializes in meeting all of your project requirements. Should your project require design assistance we have established partnerships Civil Engineering services to bring their professional knowledge to your project.
