**Re: Letter of Recommendation  
Baruch Lipinsky**

Mr. Lipinsky held his Paralegal Placement with me from June, 2013 to August, 2013. He mainly conducted legal research for me, but also filed, served and drafted various documents, and interviewed clients.

Mr. Lipinsky was an excellent student. His background in Information/legal and government librarianship was an asset to his work in legal research. He contributed to my firm, took initiative in various matters and was a valuable component of my business for these months.

If you would like to speak about Mr. Lipinsky's skills, please do not hesitate to contact me.

Yours Sincerely,
