

1. Three qualities that you like best about yourself:

1. I am kind to others and understanding
2. From what I understand I am funny
3. Smart enough to not struggle in school

2. The accomplishments you are most proud of are:

I am most proud of how skilled I have become using computers and at playing guitar.

3. The outside of school activity that has been most rewarding for you is... because...:

I do not participate in outside school activities that would not pertain to granting a reward.

4. What is your greatest area of weakness and why?:

My greatest area of weakness is having to come up with my own deep thoughts or problems, such as the specialties essay that we're writing in APUSH.

5. Are there any "extenuating circumstances" that I should include in the recommendation?

I do not like being put into groups with people that I don't know. I already have friends that I get along with, I don't want a teacher trying to have me make more.

6. Right now, what are your top priorities?:

My top priorities are getting my grades up (I currently have one C) and going back to ITT Tech after summer in order to begin the enrollment process.
