Re: Recommendation, Ken McKinney, Vista Media Services

To Whom it May Concern:

I provide this letter highly recommending the services of Mr. Ken McKinney and Vista Media Services to any firm or individual that anticipates securing video production services or public information campaigns. Mr. McKinney was enlisted to provide the Solid Waste Division with a professional production of a public information video. Not only did Mr. McKinney produce a high quality product, he was also able to supply a video that was instrumental to the CNMI for informing various stakeholders of the progress that has been made regarding the CNMI's solid waste management program. This production was received with accolades when used during the presentation given by the Lt. Governor and myself at the recently concluded Pacific Islands Environmental Conference. Without Mr. McKinney's valuable assistance the CNMI would have been unable to achieve the public outreach that is vital to the success of our program.

I strongly recommend Mr. McKinney and Vista Media Services. If I can provide any additional information or assistance you may contact me at the above address or by phone at 322-2745.

Sincerely,

Steve Hiney
Program Manager, DPW/SWMD
