Dear Mr. McKinney:

On behalf of the Department of Public Safety, Office of Special Services State Fire Assistance Program, I would like to extend our appreciation for the tremendous effort in the coordination and development of our video project for the CNMI Wildland-Urban Interface Fire Program.

Your services are indeed done in a professional manner that even an individual from San Dimas, California who attended the CNH Fire Councils Meeting in Kailua-Kona last year commented that he could not believe your services had the capability in designing and orchestrating such professional work in the audiovisual arena.

I hope that we can continue to work with you in the future on all our audiovisual projects, for your company has the capability we need to enhance our programs.

Sincerely,

Captain Francis S. Taimanao
Program Manager
CNMI State Fire Assistance Program
